I hereby authorize Precise Imaging to furnish you, my attorney, all medical records, bills, and liens of the examination(s), in regards to the accident I was involved in on the below date(s) of injury. This authorization remains valid until the related legal claim concludes. I understand I may revoke this in writing at any time, and that once disclosed, my information may no longer be protected by HIPAA.

I hereby authorize and direct you, my Attorney, to pay directly to Precise Imaging such sums due and owing for services rendered to me, both by reason of this accident and by reason of any other bills that are due and owing Precise Imaging and to withhold such sums from any settlement, judgments or verdicts as may be necessary to adequately protect and fully compensate Precise Imaging. I hereby further direct my Attorney to pay in full any bills owed to Precise Imaging.

I fully understand that I am directly and fully responsible to Precise Imaging for all bills submitted by said entity for services rendered and that this agreement is made solely for said entity's additional protection and in consideration of the practice awaiting payment. I further understand that such payment is not contingent on any settlement, judgment or verdict by which I may eventually recover said fee. I have been advised that if my attorney does not wish to cooperate in protecting Precise Imaging's interest, the entity will not await payment and may declare the entire balance due and payable. Patient agrees to pay all of Precise Imaging's reasonable attorneys' fees, collection costs and expenses associated with the enforcement of this lien. If Precise Imaging is required to retain an attorney to enforce any provision of this Agreement, whether or not a legal proceeding is commenced, the substantially prevailing party shall be entitled to reasonable attorneys' fees regardless of whether at trial, on appeal, in any bankruptcy proceeding, arbitration matter or without resort to suit. A holder of this medical debt contract is prohibited by Section 1785.27 of the Civil Code from furnishing any information related to this debt to a consumer credit reporting agency. In addition to any other penalties allowed by law, if a person knowingly violates that section by furnishing information regarding this debt to a consumer credit reporting agency, the debt shall be void and unenforceable. In the event Precise is required to turn any outstanding unpaid amounts due under this agreement to a collection agency then Patient agrees to pay any and all costs, fees or charges imposed by said collection agency in collecting amounts due hereunder.

General estimated service charges are as follows: MRI $1,600 MRI w/ Contrast $2,250-$2,400, CT $1,200, CT w/ Contrast $1,600-$1,900, X-Ray $300, Ultrasound $450. If you do not see your exam type and would like an estimated charge, please call us.

I hereby agree to waive the running of any Statute of Limitations for an additional period of four (4) years as provided in CCP 360.5.

The undersigned, being attorney of record for the above patient, does hereby agree to observe all the terms of the above, and agrees to withhold such sums from any settlement, judgment, or verdict, as may be necessary to adequately protect and fully compensate Precise Imaging. Attorney further agrees that in the event this lien is litigated, the prevailing party will be awarded attorney's fees and costs. I agree to provide a case status update every one hundred eighty (180) days from the first date of service. I acknowledge that failure to provide periodic case status updates may result in the patient's account(s) being referred to collections.
